

Beso

October 15, 2025

My best friend, I'm going to miss you so much. You my friend are irreplaceable, there will never be another Beso, so many memories I don't know where to start and I would never be able to stop. You were my ride or die, literally. And always so brave, and sweet, and loving. I never would have been ready to say goodbye to you if it was my choice, but I know that you will be there with my dad and Shue waiting for me and watching over us all. Until we meet again rest easy my baby Beso! I love you always and forever!!

“ *Beso you were my bestest buddy. And such a character. The way you would howl at the gate and get the other dogs to howl too. And you always thought you were the biggest and baddest dog Always ready to go for a ride and put the windows down. Going to the post office and stopping to pee at your favorite spots. The going in and sniffing everyone's angels. I'll miss you my buddy run free with the angels*
