Buffy My Best Friend GBD Buffy was my best friend and a beautiful dog inside and out. She was a wonderful irreplaceable companion. The most loyal Great Big Dog. I Can't describe how much I miss her. Lost without her

“ I didn't put this in Buffy's obituary because I was too upset. She was an old dog that was turned loose and I found her running. She was so nice and sweet. She had long nails and hadn't been brushed for a long time. She had poor vision and vestibular disease. She was the most loyal beautiful dog. Her chip showed she was 15 years old. I had her about a year and a half before she died in the night at the foot of my bed. I wish she could have lived longer. Taken from me too soon but she really enjoyed going outside and sniffing the breeze even though she couldn't walk much. Lost without her.
