

Finny

November 24, 2025

Finny, my loved and cherished dog, passed away on November 24, 2025. This marks the end of nine wonderful and laughter-filled years. Finn was a loyal companion, a ridiculous goofball, and the purest source of joy and love. Finny Boy, I adore you more than anything and am so fortunate you chose me as your person. Thank you for your years of friendship and love. I will miss you.
