Killy Boy

I felt so sad and devastated when my Killy Boy 16 years old passed away on May 29 2024. Killy Boy and I went to the beach , to the restaurant, to camping, and he was so smart and friendly and patient. He loved to drive with me in my car. He was such a solace of comfort and peace for me. I found Killy Boy who was all alone and only 6 months old when I was taking a walk on a golf course. He came to my arm and I rescued him that day and it was the happiest day of my life. We spent a lots of happy moments together 24/7 for 16 years. The day he passed away was the saddest day of my life. My only hope is if I can meet Him again in the other ☐ life.! 💕💕. I love you so much and miss you so much my handsome Killy Boy 💕💕🥺💕🥺🥺💕💕.
