

Kimber

July 26, 2024

Kimber had a unique, fun personality. She despised bikes and motorcycles but delighted in barking at them. She adored popcorn, loved walks, and enjoyed playful moments with her brother, Kato. As a devoted big sister to her human, Klaire, Kimber's protective and loving nature shone brightly. Spoiled and adored, Kimber was truly a princess in our family. She will be deeply missed and forever in our hearts. Rest in peace, dear Kimber.
